INVITATION FOR SPONSORSHIP

Dear colleagues and friends,

On behalf of the Local Organizing Committee, we thank you for your interest in being a part of the 43rd International Symposium on Halogenated Persistent Organic Pollutants - DIOXIN 2023 to be held 10-14 September 2023, in Maastricht, The Netherlands. The first return of the meeting in Europe for the last 5 years and 12 years after the memorable Dioxin 2011 edition in Brussels!

We are proud to be able to continue the tradition of the symposium series as an interdisciplinary forum for communicating scientific advances and emerging issues in a friendly atmosphere. We are even further happy as we will revive the true essence of the event as an international face-to-face meeting in Europe

As expected, Dioxin 2023 will focus on the science of dioxins and additional persistent organic pollutants following major advances in analytical determination, the understanding of emission, transport, fate, degradation, toxic behaviour, regulations, along with the growing attention in developing countries and global pollution issues.

Up to 1000 delegates are expected to register for the event, classically representing more than 500 abstracts (200 are oral presentations and 300 are posters) presented in up to 5 parallel sessions during 4 days.

In conjunction with the Symposia, there will be an exhibition involving instrumentation, chemical products, accessories, analytical companies, scientific journals, legal entities, research centres...

The exhibition will form an integral part of the symposia and coffee breaks will be held in the exhibition area.

We hope that you will take advantage of this opportunity to be a Dioxin 2023 sponsor/exhibitor, and to gain from the interactions with students, academics, and science professionals from around the world. We want to maximize your organization's exposure to this diverse group and encourage you to work with us to customize a sponsorship package for the conference that best suits your needs.

TERMS & CONDITIONS

Application of the Terms of Contract to Exhibit in case of cancellation or postponement of the Event in case of worsening of the health situation due to the SARS-CoV-2 pandemic:

- In case of cancellation or postponement of the Event for force majeure: no refund (see Article 15.2 of the TCE). A cancellation or postponement of the Event because SARS-CoV-2 makes the Event as and when planned normally, practically and reasonably impossible would be considered a force majeure falling under Article 15.2 of the TCE.
- In case the Event is not cancelled, but an Exhibitor cannot participate because of force majeure in its country: no refund after 15 02 2021 (Article 4.1 of the TCE).
- In case of postponement of the Event for a valid cause: no refund (Article 12.1 of the TCE).
- In case of abandonment of the Event for other reasons than force majeure or in case of a radically different event: full refund.

However, notwithstanding the above, and in a spirit of partnership, the Organiser and the Exhibitor accept that 70% (but only 70%) of the space booking fee shall be refunded in case the Event cannot take place as scheduled and has to be cancelled (rather than postponed in the same location) because of SARS-CoV-2 governmental restrictions in place in Maastricht, The Netherlands or because of the local authorities' decision not to Host the event, provided that (and only provided that) the full amount of the space booking fee was timely paid. The purpose of the non-refunded amount is only to cover costs incurred by the Organiser for the preparation and running of the Event including commitments in place.

1. Definitions

«Congress» shall mean the event, Dioxin 2023, which will take place 10 – 14 September 2023, at the MECC Maastricht. «Organiser» shall mean MCI contracted by Dioxin2023. «Exhibitor or Sponsor» shall mean any person, firm or organization allocated a space by the Organisers in the above-said congress, or with a confirmed sponsorship as outlined in this document. «Co-exhibitor» shall mean any person, firm or organization exhibiting their own products or services on the stand space of an Exhibitor.

2. Application for participation & acceptance

All applications for participation shall be made on the prescribed form overleaf. The application shall be submitted to the Organiser. Upon receipt of the invoice, the exhibitor or sponsor will promptly transfer the required deposit equivalent to 50% of the total booth rental charges and/or sponsorship package. The submission of the application form shall be deemed to be confirmation of participation and full acceptance of the 'Terms & Conditions for Participation' as stated herein. The application shall become a valid contract upon the Organiser accepting the application. The application and confirmation of its receipt do not constitute grounds for any claim to approval, or to any specific location or site of stand. In particular, the Organiser is entitled to implement reductions in the number of square meters applied for if the congress area available is oversubscribed.

3. Rental of stand fitting, design and signs

The individual design of the stand, if in excess of the services indicated in the offer, is the concern of each individual Exhibitor who shall apply with the official contractor for furniture, fittings, fixtures and utilities. The nature of the design shall, however, be subjected to the construction regulations applicable to the event venue and to the construction guidelines set by the Organiser.

4. Co-exhibitors and firms indirectly represented

Stand areas are in principle made available solely as whole entries and only to one contracting party, the 'main Exhibitor'. The use of the stand area by another company represented by its own congress goods (co-exhibitor) shall require a special application and written approval from the Organiser. Approval of co-exhibitors is likewise based on the criteria listed under paragraph 2 above, apart from this. Such companies shall also be subject to the terms & conditions for participation, which are to be acknowledged by those companies in writing. The assignment of the rights and obligations to other parties, even if in part, is not permissible except with the written approval of the Organiser in advance. The Main Exhibitor shall be liable for any fault on the part of his co-exhibitor or indirectly represented company and their agents, in the same manner as his own faults and for the faults of his own agents. The same shall apply to auxiliary staff. If paragraph 4 above applies, the main Exhibitor and all co-exhibitors shall be jointly and severally liable to the Organiser for the obligation arising from this rental contract.

5. Terms of payment

- a) 50% of the entire amount upon receipt of invoice
 - b) 50% by 30 June 2023
- All payments must be received before the start date of the symposium.
- c) For other additional services, payments must be made in full, in advance, when placing orders for services
 - d) Payment by the stipulated date is a prerequisite condition for the Exhibitor's participation in the congress and use of the stand.

e) In the event of default of payment by the stipulated date in (a), the Exhibitor's or sponsor's application shall be deemed to be cancelled and the 50% deposit forfeited; and (b), the Organiser shall reserve the right to claim all payment due from the defaulting Exhibitor or sponsor. The Exhibitor or Sponsor shall not be entitled to any form of compensation whatsoever, whether for loss of profits or otherwise.

6. Cancellations

The Exhibitor or Sponsor will not be permitted to withdraw from, cancel, alter or reduce in any way their booking of the congress. However, the Organiser may consider special cases and in their sole discretion grant partial refunds according to how many months/weeks prior to the start of the congress that the proposed withdrawal or change is made known to the Organiser in writing. The Organiser shall retain

- a) 10% of the agreed package amount if the cancellation is made before 27 January 2023.
- b) 50% of the agreed package amount if the cancellation is made between 28 January 2023 and 26 May 2023.
- c) 100% of the agreed package amount if the cancellation is made after 26 May 2023

7. Movement of exhibits

- a) The Exhibitor shall bear the responsibility and expenses for transport of exhibits to the congress venue.
- b) The Exhibitor shall make their own arrangements for the storage and ware housing of the exhibits, subject to the approval of the Organiser.
- c) The Exhibitor shall submit a list of exhibits to the Organiser at least ten days prior to the start of the congress.
- d) No exhibits or other goods will be permitted to leave the congress venue. The Exhibitor shall indemnify the Organiser against any loss or damages due to delay or damage to the congress venue.

8. Security & Insurance

The Organiser, its directors, trustees, offices, employees, agents and representations, will not be responsible for the safety of articles of any kind brought into the congress by the Exhibitor or Sponsor, their employees, agents or contractors, members of the public or any person whatsoever. Exhibitors shall ensure that they are fully covered by Insurance and take out public liability and comprehensive protection. The period of Insurance shall be from the time the Exhibitor first enters the congress hall until all his exhibits have been properly removed to the satisfaction of the Organiser. The Exhibitor shall indemnify and hold the Organiser, its directors, trustees, offices, employees, agents and representations, harmless with respect to all costs, claims, liabilities, losses, demands, proceedings and expenses to which the Organiser, its directors, trustees, offices, employees, agents and representations may in any way be subject (including but not limited to members of the public, the staff of the local authorities, or the Organiser of Exhibitors' staff, agents or contractors) caused as a result of any act of omission of the Exhibitor, co-exhibitor, sponsor, representatives, employees, agents, contractors or invitees. If the Organiser so demands, the Exhibitor shall provide proof to the Organiser that the Exhibitor has adequate insurance coverage. The Organiser shall not in any event be held responsible for any loss or damages whatsoever (including loss of profits suffered by the exhibitor) as a result of any restrictions or conditions which prevent construction, completion, alteration or dismantling, or for the failure of any service normally provided at the listed congress ground, for the cancellation or part-time opening of the congress either as a whole or in part, or for amendments or alterations tall or any of the 'Terms & Conditions for Participation' caused by any circumstance not within their control.

9. Security Responsibility

10. Damage to venue

The exhibitor shall take good care of and shall not cause any damage or permit or suffer any damage to be done to the congress venue or to any part or parts thereof or to any fittings, equipment or other property therein, and shall make good and pay for damages thereto (including accident damage and damage by fire) caused by act or omission of himself, employees, co-exhibitors, agents, representatives, contractors or persons by reason of the use of the congress venue by the Exhibitor. If the Organiser so demands, the Exhibitor shall insure the venue for any damage and send the insurance documents to the Organiser.

Under no circumstances shall the Organiser make good or accept any responsibility or liability however arising with respect to damage, theft or loss of any property, goods, articles or things however placed, deposited.
